About Atasia

Frankie Tan has provided about 25,000 massages in Berkeley Springs. An interior designer in his native Malaysia before studying massage at the Wat Po Buddhist Temple in Thailand, he transformed the 19th century historic "THE NEWS" building into a wonderful place for pampering and relaxation.

Atasia Spa promises to treat every visitor with good old-fashioned West Virginia hospitality and traditional Asian courtesy and respect.

"Choose from one of our two favorites, Atasia Spa..."

.....Southern Living

"I nearly floated out the door, feeling finely sanded, polished smooth, and thoroughly mellowed."

.....Wonderful WV Magazine

"Atasia has a reputation for top-notch services at wallet-friendly rates."

.....Washington Post Express

"The hour flew by. I started to think about what else I might book, having already pretty much memorized Atasia's list of services..."

.....New York Post
